Re: Mike Eidlin, Contractor

To Whom It May Concern:

I have used Mr. Mike Eidlin's services for over ten years, and his work is excellent. I have recommended him countless times, for the high quality of his work and his unimpeachable honesty and integrity.

I have used Mr. Eidlin for numerous carpentry jobs (including a front porch repair; new attic stairs; storm door repair; patching drywall; repairing plaster; installing stairway railings; and resizing and installing swinging interior doors among other jobs). His work is always done right the first time - he never cuts corners. He uses honest and reliable assistants. I have been very happy with Mr. Eidlin's work.

Sincerely,
